DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Jan Little-Washington (206) 292-8600 on October 20, 2008.

The specification is amended as follows;

[0057] (Currently amended) A machine-accessible medium includes any mechanism that provides (i.e., stores ~~and/or transmits~~) information in a form accessible by a machine (e.g., a computer, network device, personal digital assistant, manufacturing tool, any device with a set of one or more processors, etc.). For example, a machine-accessible medium includes recordable and non-recordable media (e.g., read only memory (ROM), random access memory (RAM), magnetic disk storage media, optical storage media, flash memory devices, etc.) ~~as well as electrical, optical, acoustic, or other form of propagated signals (e.g., carrier waves, infrared signals, digital signals, etc.).~~

The following is an examiner's statement of reasons for allowance:

Claims 1,10,16 and 19 are allowed.

The prior art fails to disclose selecting a clock from a set of clocks based on determining that port speed changed; receiving the selected clock and incrementing a counter using the selected clock comparing an output of the counter to the second value; and when the counter output is equal to the second value generating the scaled second value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RAJ JAIN whose telephone number is (571)272-3145. The examiner can normally be reached on M-TH 6AM-4PM.
